June 2010

## Spring Clean-Up

Spring Clean-Up was a huge success once again.

Thanks to all the great volunteers, the people who loaned their vehicles, the Store and the ATB for the snacks, and everyone who took the opportunity to help clean up the village!

Anyone who still has large items, car bodies or other junk to dispose of is welcome to contact the Village Office for help. We want the whole village looking especially nice for the coming Centennial.

## Talking Trash

Brian would like to ask everyone to please take a moment to clean up their garbage containers, and especially people who have enclosed bins, because these tend to accumulate trash in the bottom.

There was some confusion about the Recycling pickup. Can Pak Environmental picks up even when the Monday is a holiday. Recycling info sheets are available at the office and online.

## Please Prune!

A gentle reminder that trees and bushes overhanging the sidewalks, roads and alleys must be trimmed to nine feet above the ground to allow free passage.

And now that lawn care season is here, don't forget to mow your grass and control the weeds, including any boulevards that abut your property.

## Saying Goodbye

Helen Reed, Minister of the United Churches in Ferintosh and New Norway, is moving away after serving here for two years.

Please come and help us say goodbye on June 27th. Our two churches are joining together at Zion United in New Norway. Our worship service will be held at 10:00 am and we will have a Pot Luck Lunch at 11:30 am. You are invited to join us for either or both pieces that day.
